TECHNICAL DATA

FOREMOST 1554 FREEZER CLEANER

Rev. 2-22-17

- DESCRIPTION:** A ready-to-use liquid cleaner formulated for fast efficient removal of grease, grime and soil in all sub-freezing, cold storage and freezer areas. It resists freezing to -20°F. Foremost 1554 Freezer Cleaner aids in melting existing ice formation and immediately starts to dissolve grime and suspended soil.
- APPLICATION:** Recommended for removal of dirt, grime, fat, and grease deposits from concrete, quarry, metal and ceramic tile surfaces in industry, food processors, institutions, restaurants and cold storage warehouses.
- DIRECTIONS:**
- FOR AUTOMATIC SCRUBBERS:** Equip machine with aggressive brushes, such as steel wire, and fill supply tank with ready-to-use cleaner. Double scrub will give the best results. Lay down solution with scrubbing action and allow solution to remain on surface for five minutes. Scrub again and pick up soiled solution with wet-vacuum, mop or dry wiping.
- FOR CONVENTIONAL ROTARY FLOOR WASHING:** Equip machine with aggressive brush such as steel wire. Spray, mop or spread ready to use cleaner on surface, scrub and allow solution to remain on surface five minutes. Scrub again and pick up soiled solution with wet-vacuum, mop or by wiping.
- FOR MANUAL CLEANING:** Apply cleaner by spray, mop or sponge and follow with aggressive double brushing or scrubbing. Pick up soiled solution with wet-vacuum, mop or dry wiping.
- PRECAUTIONS:**
- KEEP OUT OF REACH OF CHILDREN.** Contains potassium hydroxide and isopropyl alcohol. **KEEP AWAY FROM HEAT AND OPEN FLAME.** Causes severe burns to eyes and skin. Do not get in eyes, skin, or clothing. Do not take internally. Prolonged and/or repeated exposure may lead to redness, swelling, and irritation. Wash thoroughly after handling. When handling, always wear chemical splash goggles, face shield, rubber gloves and protective clothing.
- FIRST AID: EYES AND SKIN:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Wash clothing before reuse. Destroy contaminated shoes. **INGESTION:** If swallowed do not induce vomiting. If person is conscious, give large quantities of water or milk, if available. Get medical attention immediately.
- Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
