

1813-ES CITRI-KLEEN

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

- Degreases Engines, Equipment, Concrete Floors
- Fast-Economical
- Easy-To-Use
- Meets OSHA & EPA Standards
- Maintains Drains, Grease Traps Sewage Plants

POWERFUL, VERSATILE, NEW CITRUS FORMULA

HIGHLY EFFECTIVE — Unique Citri-Kleen penetrates, liquifies, and removes grease, oil fats, grime and slime. Destroys grease buildup in drains and grease traps. In automotive application, Citri-Kleen forms a mixture with soils on engines and chassis that can be readily flushed off with water. Citri-Kleen also dissolves and removes cosmoline and other protective auto finishes fast and with minimum effort.

ENVIRONMENTALLY SAFE — Foremost 1813-ES Citri-Kleen is non-acid, non-caustic and non-corrosive. Will not harm metal or PVC drain pipes. Does not generate heat like hazardous acids and caustics. In addition to natural citrus oil, it contains selected detergents and surfactants for synergistic activity. Foremost 1813-ES is biodegradable and does not interfere with beneficial digestive bacteria.

VERSATILE — Citri-Kleen also dilutes with water for excellent general degreasing of parts, equipment, and concrete floors and walls. Diluted 1-10 with water, its tremendous reodorizing qualities make Citri-Kleen ideal for deodorizing waste in dumpsters as well as other odoriferous wastes.

ECONOMICAL — Concentrated Citri-Kleen is not an expensive ready-to-use cleaner. It mixes with water for effective, fast-acting solutions with money saving results.

Authorized by USDA for use in
federally inspected meat and poultry plants.

ENTHUSIASTICALLY RECOMMENDED FOR:

Drains — Pipes — Grease Traps — Sewage Treatment —
Dumpsters — Garbage Disposals — General Degreasing

Foremost Citri- Kleen Solutions Are Pleasant To Use And Are Ecologically Acceptable

- No Chlorinated Solvents
- Natural Degreaser — Cleaner — Deodorizer
- 100% Free From Caustics, Acids, Corrosives
- Non-Injurious To Metal And Sound Paint

FOR DEGREASING AND CLEANING IN:

Restaurants	Supermarkets
Hotels — Motels	Dairies
Hospitals — Nursing Homes	Food Plants
Schools	Country Clubs

FOR UNEXCELLED DEGREASING AND CLEANING OF

Automobiles	Trucks
Tank Wagons	Factory Equipment
Sewage Treatment	Fleet Vehicles

PACKED IN 55 GALLON DRUMS

TECHNICAL DATA

FOREMOST 1813-ES CITRI-KLEEN

Rev. 8-3-15

DESCRIPTION: A unique oil and grease solvent with emulsifiers that will penetrate and dissolve grease, oil, grime and grease bonded dirt from metal and other surfaces. It forms a mixture with the soils that can be readily flushed off with water. Foremost 1813-ES Citri-Kleen has a natural citrus base, with tremendous deodorizing qualities, that controls slime and odors, destroys grease build-up and will not harm metal pipes. It is non-acid, non-caustic and non-corrosive.

APPLICATION: Foremost 1813-ES Citri-Kleen is highly recommended for general cleaning and degreasing automotive engines, chassis, industrial machinery, farm and road equipment and concrete floors. It has proven effective as a dewaxer for removing protective coatings from automobiles. Foremost 1813-ES is excellent for degreasing, drains, pipes, grease traps, garbage disposals, rubbish piles, dumpsters and garbage cans. Foremost 1813-ES Citri-Kleen reduces buildup of grease and slime in sewage treatment equipment without affecting bacterial activity.

DIRECTIONS: **For protective coating and wax coating removal from new automobiles and trucks:**

1. Dilute 1 part of Foremost 1813-ES concentrate with 1 to 2 parts water.
2. Saturate wash mitt or cheese cloth in solution and go over entire vehicle with cloth or rag.
3. Wipe dry, rinse with water or wash vehicle with Foremost Car Wash.

FOR GENERAL CLEANING:

1. Dilute 4 ounces of the concentrate to one gallon of warm water.
2. Apply generously to greasy equipment, floors or walls with mop, sponge or cloth.
3. Allow to set for approximately 5 minutes.
4. Rinse with clean water.

TO CONTROL ODORS:

1. Pour 4 ounces of the concentrate to 1 gallon of cold water.
2. Apply to the odor problem with a sprayer.

FOR DRAINS AND GREASE TRAPS:

1. Pour 8 ounces (1/2 pint) of Foremost 1813-ES Citri-Kleen into drains. Flush with hot water.
2. In garbage disposal, allow to stand 5-10 minutes. Flush with hot water.
3. In grease traps, pour in 8 ounces (1/2 pint) for each gallon of water. After 1 hour flush with hot water.

NOTE: SAFE ON PVC PIPES, but some plastics should be tested before using as containers or dispensing tubing.

FOR SEWAGE PLANTS:

1. For controlling odors, use as low as 0.5 ppm or 1/2 ounce per 8000 gallons of water.
2. For best results, apply through an automatic drip dispenser.

NOTE: Test first on painted surfaces before applying, since Foremost 1813-ES Citri-Kleen is a powerful organic compound.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains Natural Citrus Oils and Mineral Spirits. Do not take internally. **May be harmful or fatal if swallowed.** Combustible mixture. Keep away from heat and open flame. Avoid contact with skin and eyes. If ingested, get immediate medical attention. Keep container closed when not in use. Contact with skin can cause moderate irritation, defatting, dermatitis. **FIRST AID: EYES:** Flush with large amounts of water, lifting upper and lower lids occasionally. Get medical attention. **SKIN:** Wash thoroughly with soap or mild detergent and water. **INGESTION:** Do not induce vomiting. Get immediate medical attention. Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
