## FOREMOST 2149-ES MARVEL GERMICIDAL CLEANER

Rev. 11-12-2021

**DESCRIPTION:** A spray-on wipe-off germicidal cleaner in aerosol that cleans, disinfects, and deodorizes. The following virucidal, bactericidal and fungicidal claims are listed. **VIRUCIDAL:** Inactivates these agents: Human immunodeficiency virus Type 1 (HIV-1: a retrovirus that causes "AIDS" [Acquired Immune Deficiency Syndrome]), poliovirus Type 1. **BACTERICIDAL:** Kills these species: Pseudomonas aeruginosa; Salmonella choleraesuis; E. coli, MRSA, VISA, VRE, Mycobacterium tuberculosis and Staphylococcus aureus. **FUNGICIDAL:** Kills these species: Trichophyton mentagrophytes (formerly T. interdigitale). **CONTROLS MOLD/MILDEW:** Leaves the surface clean and free from odors. Excellent for all bathroom fixtures, grouting, tile and shower stalls. Contains no abrasives.

**APPLICATION:** **USED IN:** Hospitals, institutions, office buildings, schools, factories, motels, hotels, cafeterias, restaurants, and food processing plants. **USED ON:** Counter tops, table tops, plastic surfaces, sinks, bathtubs, shower stalls, grouting, tiles, wash basins, Formica® - exhaust fans, stainless steel, woodwork, porcelain, enameled surfaces leather, leatherette, vinyl, and plastic.

**DIRECTIONS:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. After using this product on food processing equipment and food contact surfaces, rinse off thoroughly with potable water.

**TO CLEAN:** Remove cap. Shake. Spray evenly over the surface. Wipe clean. For heavily soiled surfaces, allow foam to remain for a minute before wiping.

**SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATING AGAINST HIV-1 (AIDS virus) ON SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS.** Wear disposable gloves, gowns, masks, or eye coverings when handling items soiled with blood/body fluids. Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this disinfectant. Blood and other body fluids, and cleaning materials removed from surfaces/objects should be autoclaved and disposed of according to Federal, State, and local regulations for infectious waste disposal.

**TO DISINFECT** and to treat for fungus (pathogenic fungi) on bath or locker room walls and floors, in showers & tubs, on painted surfaces, and on other hard, non-porous equipment and materials: Clean surface thoroughly as directed above, then spray a thin coat of foam, making sure it covers the entire surface to be disinfected. Allow to remain for at least 10 minutes, then wipe off with a clean damp cloth.

**FOR MOLD/MILDEW CONTROL:** Spray precleaned surface as directed above. Wipe with clean damp cloth and allow to air dry. Repeat application when growth reappears.

**STORAGE AND DISPOSAL:** Do not contaminate other materials, including water, food, or feed, during transport, storage, use, or disposal. If damaged or leaking, soak up and wrap waste, then dispose of as below. **STORAGE:** Keep in a cool, dry, locked area inaccessible to children and away from flames, sparks, sunlight, and other sources of heat or ignition. Containers heated above 130°F (54°C) may burst. **DISPOSAL:** Refasten protective cap on container, securely wrap in several layers of newspaper, and discard in trash. Do not incinerate or puncture.

**PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN. HAZARDS TO HUMANS AND DOMESTIC ANIMALS.** May cause minor eye irritation. Do not get in eyes. Avoid prolonged or repeated contact with skin. Remove and wash any contaminated clothing.

**STATEMENT OF PRACTICAL TREATMENT. EYES:** Quickly flush eyes with water; remove any contact lenses, then hold eyelids open and flush eyes thoroughly with water, continuing for 15 minutes. Get quick medical attention if any ill effects continue (or show up later).

**PHYSICAL/CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
