TECHNICAL DATA

FOREMOST 2153-ES WONDER CLEANER AEROSOL

Rev. 6-13-19

DESCRIPTION: A high quality general purpose cleaner packaged in pressurized form for convenience of application. This versatile product is designed for removing film, smudge, smears, bugs and various other soils. It is economical to use and finds a multitude of uses in general maintenance cleaning and other applications where this type of cleaner is required. Its mildness and pleasant mint odor make it an ideal cleaner.

APPLICATION: It is used on metal, glass, wood, floors, upholstery, color-fast fabrics and other surfaces. Refrigerators, windows, mirrors, chrome, enamel, walls and tile are among the surfaces for which it is recommended.

This product is safe for use on plexiglass®.

DIRECTIONS: Shake well and remove cap. Hold upright 4 to 6 inches from surface to be cleaned. Press down firmly on top rear of spray tip. Spray sparingly, then wipe clean with lint-free cloth or paper towel. Polish immediately with dry cloth. Leaves an invisible coating that is dirt resistant.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contents under pressure. Store container away from heat. Do not incinerate or puncture container. Store at room temperature or below. Do not spray into open flame. Avoid contamination of food. Do not spray into eyes.

FACTS

1. Versatile
2. Easy to use
3. Dependable
4. Economical

BENEFITS

1. Can be used anywhere for removing practically any film or soils. Finds a multitude of uses in general cleaning
2. In easiest-of-all aerosol container for the ultimate in convenience of application
3. Use on metal, glass, mirrors, wood, painted surfaces, upholstery, walls, and many other surfaces
4. Saves labor —penetrating, hold-on foam does the job. No rinse needed; no messy run-off to clean up, no time wasted mixing chemicals with water
