

230
BLITZ
CONCRETE CLEANER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

Grease Rack and Shop Floors

EFFECTIVE

Reaches into surface pores to emulsify locked-in soils.

ECONOMICAL

Solutions cost pennies per gallon.

FAST

Blitz quickly cleans those 'Hard to Clean Floors.'

SUPER CLEANING POWER — Removes heavy deposits of grease and reaches into the pores and surface irregularities to loosen and emulsify locked-in soils. Even deep-seated stains surrender to Blitz. Leaves floors "Kitchen-Clean".

FAST - PROTECTS — Quickly converts deep-seated, hard to remove grime into easily removed solution. Pleasant pine fragrance deodorizes, then evaporates, to leave premises free of odor. Blitz does not contain caustic, nor does it have toxic or flammable solvents.

SAVE ON LABOR AND MATERIAL COST —

"Arm Power" costs more every day. Even the least skilled worker can clean speedily and completely with Blitz. This product is 100% active and free of fillers or inert extenders. Every ounce is literally bursting with concentrated cleaning power. Solutions cost less than 10¢ per gallon.

VALUE PROVEN — Years of industry-wide use have proven Blitz on hard-to-clean, unpainted concrete and tile floors.

RECOMMENDED FOR —

Service Stations — Garages — Processing Plants — Factories — Shops — Aircraft Hangers

Packaged in 425 lb. drums

TECHNICAL DATA

FOREMOST 230 BLITZ CONCRETE CLEANER

Rev. 12-6-16

DESCRIPTION: Golden, dustless granules developed for removal of heavy deposits of grease and oils from concrete. When wet, the unleashed, powerful detergent action dissolves grease and oil by penetrating deeply into all cracks and surface irregularities. No heavy scraping is required.

APPLICATION: Designed especially for use on factory floors, roundhouse floors, shop floors, in grease pits, around lubrication racks, and on floors of machine shops, hangars, locker rooms, garages, and on runways and driveways.

DIRECTIONS:

1. For heavy cleaning, wet the surface and sprinkle the granules lightly over the wet areas. Agitate with an old broom or stiff deck brush to promote reaction. Allow to soak for 5 to 30 minutes, then thoroughly rinse with water.

2. For light and medium cleaning, pre-mix to 3 ounces per gallon of warm water, dissolve completely, and apply with mop or pour onto surface. Follow with a thorough water rinse.

NOTE: For use on unpainted concrete floors only. For painted surfaces use Foremost 533ES Citri-Solv Degreaser or other recommended Foremost product.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains Sodium Metasilicate. Causes irritation to eyes. Avoid contact with eyes. Do not take internally.

FIRST AID: EYES AND SKIN: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention immediately. **INGESTION:** If swallowed do not induce vomiting. Get medical attention immediately.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. Blitz is 100% active cleaner
2. Easy to handle
3. Harmless when properly used
4. Works fast
5. Leaves pleasant pine odor
6. Contains no caustic nor toxic flammable solvents

BENEFITS

1. Hard-to-clean grease and oil laden floors cease to be a problem
2. Even unskilled workers can clean speedily and well
3. Saving of cleaning time saves cost of labor
4. Blitz may be used either as granules or as a solution
5. Regular use restores unpainted concrete or tile floors to original appearance
