

# 3005 FLOOR FINISH - SP

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

Brightest Shine For The Longest Time

## **SUPER LUSTRE WITHOUT BUFFING!**

Combines the durability, initial high gloss, and window glass clarity of modern co-polymer finishes...

With the ease of application, and sustaining beauty of fine wax.

## **NOW YOUR FLOORS CAN LOOK LIKE NEW**

**HIGH INITIAL LUSTRE**—Resists black heel marks, scuffing and scratching. Add small amount of Foremost 3005 to final rinse water during maintenance cleaning to restore gloss and film integrity. Anti-Slip safety for new or old — wet or dry floors.

**DIRT RESISTANT, WATER-RESISTANT**—Does not let dirt penetrate. Easily and economically kept clean by sweeping or damp mopping. Gives long lasting service even under heavy traffic conditions. No powdering or tracking.

**MIRROR CLEAR— NON YELLOWING**—Can be readily stripped when desired, but seldom necessary. Simply clean and recoat. Ideal for light colored vinyls. No ugly yellow build-up to mar beauty. Traffic lanes may be spot coated, Foremost 3005 will blend in.

**ECONOMY**—Durability, ease of application (just mop on, no lap marks, self leveling), performance and appearance, combined with high solids content make Foremost 3005 the best buy. In many cases this superb floor finish is priced below less desirable products.

**LET'S BE CANDID**  
No floor finish (not even steel) can completely resist scuffing and scratching. Most floors simply look progressively worse until recoated. With Foremost 3005 an occasional "gloss-rinse" keeps that "just waxed" look on your floors. Or if desired, the finish may be renewed by buffing with a stiff (scrubbing) brush.

**FOR ALL TYPES OF FLOORS**—  
Light or dark — hard or resilient. Vinyl, Rubber, Asphalt tile, Linoleum, Terrazzo, Travertine, Concrete. Also wood and cork if sealed.

**PACKED IN 55 LB. DRUMS**

# TECHNICAL DATA

## FOREMOST 3005 FLOOR FINISH-SP

Rev. 5-25-17

**DESCRIPTION:** Foremost 3005 Floor Finish-Buffable is a newly developed synthetic floor coating which provides excellent durability, beauty and protection to floors. It has superior resistance to scuff marks and dirt in addition to providing anti-slip and water resistant features. This outstanding synthetic product offers many advantages over wax-based materials. Foremost 3005 Floor Finish-SP contains no wax and therefore dries to its maximum glossy appearance without the necessity of buffing.

**APPLICATION:** Foremost 3005 Floor Finish-SP is recommended for treating the following types of floor: linoleum, vinyl tile, asphalt tile, cork tile, rubber tile, wood floors.

Typical Coverage: 350 square feet per gallon depending on method of application.

**NOTE:** Wood floors should be maintained with Foremost 3005 Floor Finish-SP only when the floor is thoroughly sealed so that the surface is water and alkali-proof before application.

**PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes and prolonged contact with skin. Wash thoroughly after handling. Do not take internally.

**FIRST AID:** In case of contact with eyes, flush immediately with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

### FACTS

1. Recovery From Traffic
2. Dirt Resistance
3. Water Resistance
4. Removability
5. Patchability
6. Slip-Resistance

### BENEFITS

1. Lightly buff trafficked areas or maintain by adding one or two quarts to final rinse water.
2. Hard film resists dirt, excellent resistance to all kinds of traffic pressure.
3. Excellent. Resists wet traffic. Beautiful recovery with damp-mopping.
4. Typical wax strippers quickly remove finish.
5. Easily patched in traffic lanes. Blends perfectly with original coats.
