

3061-ES
SUPERB
INSTITUTIONAL DETERGENT CONCENTRATE

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

- **Deep Cleans!**
- **Versatile!**
- **Leaves No Film!**
- **Highly Concentrated!**
- **Labor-Saving!**

Authorized by USDA for use
in federally inspected meat
and poultry plants.

THE PERFECT UNIVERSAL CLEANER FOR HOUSEKEEPING

ALL PURPOSE CLEANER—SUPERB is a blend of synthetic detergents with additional builders to give that "extra" cleaning value. Thoroughly cleans practically every washable surface.

VERSATILE—A product of many uses. Only one effective concentrate is needed for practically all housekeeping jobs. Countless uses are found for this truly all-surface liquid cleaner.

CLEANS AND BRIGHTENS—Cleans thoroughly by penetrating deep down and bringing soils to the surface. Leaves no scum or soapy film; surfaces rinse to like-new brightness.

ECONOMICAL—The secret is in the concentration. No waste of cleaning power. SUPERB gives great coverage per gallon when diluted.

For maximum control of mixing and economy of use, the Foremost Meter-Matic unit is recommended.

— NOTE —

New SUPERB Concentrate combined with Delta Foremost's controlled mixing methods, reduces costly labor and eliminates wasted material—Makes cleaning easier, faster—Stretches your maintenance dollar!

**ENTHUSIASTICALLY

TECHNICAL DATA

FOREMOST 3061-ES SUPERB

Rev. 5-19-17

DESCRIPTION: Institutional Detergent Concentrate. A liquid, synthetic detergent concentrate designed for safe and efficient removal of oils, grease, light soils and water soluble adhesives. It contains high wetting, sequestering and emulsifying properties which will loosen, clean and prevent redeposition of solids during the cleaning process. It rinses freely, thereby leaving truly no haze or film on the clean surface. Safe for surfaces, it will not harm sound paint, composition floors, iron, steel alloys or aluminum, and will not cause rust or corrosion. Works equally well in hard or soft water; hot or cold water.

APPLICATION: Highly effective cleaning ability adapts to a wide variety of uses. Foremost 3061-ES Superb is recommended for floors, woodwork, painted finishes, walls, glass, fixtures, plastics, venetian blinds, metal surfaces and automobile interiors and mild to medium-duty cleaning in food processing plants such as poultry houses, dairies, packing houses, hatcheries, etc. **NOT RECOMMENDED FOR WOOD FLOORS.**

DIRECTIONS: **FLOORS:** Asphalt, plastic, linoleum, rubber and ceramic tiles, terrazzo, marble, etc. Mop with a solution using approximately 1 to 6 ounces with each gallon of water. Concentration to be varied with condition, type and amount of soil present.

WALLS, WOODWORK, PAINTED SURFACES: Apply by cloth, sponge or spray a solution of 1 to 6 ounces per gallon of water according to requirements. Wipe off with a damp cloth.

LAVATORIES, CERAMIC TUB OR BASINS, TILE SURFACES, ETC.: Use 1 to 3 ounces per gallon of water. Apply with a sponge or cloth. Wipe off with damp cloth.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains ethylene glycol monobutyl ether. May cause eye and skin irritation. Avoid contact with eyes and skin. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling, and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **INGESTION:** Get medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. Liquid formulation
2. Concentrated
3. Safe on painted surface
4. Non-toxic
5. Completely rinsable

BENEFITS

1. Easy to prepare, dissolves instantly
2. Dilute with water, economical to use
3. Use on wooden, painted or metallic surfaces
4. Use as floor cleaner, wall cleaner, glass cleaner or any painted surface
5. Use in hospitals and other restricted areas without obnoxious odors
6. Rinses completely leaving no residual cleaner or suds
