

3065-ES
SUPREME
CLEANER—DEODORIZER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

- **Multi-Purpose Cleaner**
- **Removes Odor Source**
- **Leaves Refreshing Fragrance**

FOREMOST SUPREME removes stubborn, greasy, grimy, and oily contamination. Superior to old type cleaners. Supreme reacts quickly to remove alkaline, acidic and non-polar soils.

VERSATILE—SUPREME is effective in hot or cold water; hard or soft water. Chelated to remove soap scum build-up.

CLEANS AND BRIGHTENS thoroughly by penetrating deep down to lift soils. Surfaces rinse to like-new brightness.

ECONOMICAL—New SUPREME concentrate, combined with Delta's controlled mixing methods, reduces labor costs and minimizes waste. Makes cleaning easier and faster—stretches your maintenance dollar.

Packed In 55 Gallon Drums

Authorized by USDA for use in federally inspected meat and poultry plants.

For maximum control of mixing and economy of use, the Foremost Meter-Matic unit is recommended.

TECHNICAL DATA

FOREMOST 3065-ES SUPREME CLEANER-DEODORIZER

Rev. 6-28-16

DESCRIPTION: A liquid, synthetic detergent concentrate designed for deodorizing, and safe and efficient removal of oils, grease, light soils, and water soluble adhesives. It contains high wetting, sequestering and emulsifying properties which will loosen, clean and prevent redeposition of soils during the cleaning process. It rinses freely, thereby leaving truly no haze or film on the clean surface. Foremost 3065-ES Supreme will not harm sound paint, composition floors, iron, steel alloys or aluminum, and will not cause rust or corrosion. Works equally well in hard or soft water; hot or cold water.

APPLICATION: Foremost 3065-ES Supreme is recommended for bathroom floors, showers, bathtubs, fixtures, walls, glass, plastic, composition tile, glazed and quarry tile, in public restrooms, hotels, motels, institutions, nursing homes, restaurants, industries, apartments, etc.

DIRECTIONS: **LAVATORIES, CERAMIC WALLS, TUBS AND FIXTURES, TILE SURFACES, ETC.:** Use 1 to 6 ounces per gallon of water. Apply by sponge, cloth, or spray. Rinse or wipe off with damp cloth.

PAINTED SURFACES: Apply by cloth, sponge or spray a solution of 1 to 6 ounces per gallon of water according to requirements. Rinse or wipe off with a damp cloth. Test solution on inconspicuous area for paint soundness.

FLOORS: Asphalt, plastic, linoleum, rubber and ceramic tiles, terrazzo, marble, etc. Mop with a solution using approximately 1 to 6 ounces with each gallon of water. Concentration to be varied with condition, type and amount of soil present.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains ethylene glycol monobutyl ether. May cause eye and skin irritation. Avoid contact with skin, eyes, and clothing. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention immediately. **SKIN:** In case of contact, immediately flush with plenty of water.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
