TERRAZZO CLEANER**

**SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947**

SEAL OUT DIRT & STAINS

- **REMOVES DIRT & GRIME**
- **LEAVES A LIGHT GLOSS**
- **IDEAL FOR HIGH TRAFFIC**
- **ECONOMICAL**

## **BEAUTIFUL FLOORS—THE EASY WAY**

**VERSATILE**—Highly effective cleaner concentrate contains unique glass properties. It cleans, seals and may be buffed to an attractive gloss.\*

**EFFECTIVE**—Powerful, yet safe, selected "scrubbers" remove soils. Unique finish content closes the pores of the newly CLEANED FLOOR. Ideal for any floor area where regular waxing procedures are not practical or desirable.

**ECONOMICAL**—The secret is in the concentration. No waste of cleaning power—reduces labor and material cost.

\* Gloss not equal to coat of high solids finish.

### **— NOTE —**

Cleaning, surface protection, and appearance are the essential ingredients of proper floor maintenance. What a difference you will see after using this TRIPLE PURPOSE PRODUCT.

### **RECOMMENDED FOR:**

- |                    |            |
|--------------------|------------|
| • Composition Tile | • Terrazzo |
| • Asphalt Tile     | • Marble   |
| • Vinyl Tile       | • Linoleum |
| • Rubber           | • Slate    |

Any resilient or non-resilient floor.  
Not recommended for wood.

# TECHNICAL DATA

## FOREMOST 3070 TILE, MARBLE & TERRAZZO CLEANER

Rev. 3-30-21

**DESCRIPTION:** Foremost 3070 Tile, Marble & Terrazzo Cleaner is a highly active, heavy bodied, wax base product. Although gentle and safe in action, it is a concentrated tan, creamy liquid containing the finest detergents and enough wax to leave a light gloss on your floors. It cleans and polishes in one operation by removing surface dirt, stripping accumulated waxes, closing the pores of the floor and depositing a thin wax film that may be buffed to an attractive gloss. Foremost 3070 is readily soluble in hard, soft, cold or hot water and provides a mild pine odor.

**APPLICATION:** Foremost 3070 Tile, Marble & Terrazzo Cleaner is used for cleaning both waxed and unwaxed surfaces; for general cleaning where sealing and cleaning are desired in one operation or for preparing the surface prior to waxing or rewaxing. It is recommended for use on asphalt tile, rubber, linoleum, marble, terrazzo and other resilient and non-resilient floors.

**DIRECTIONS:** **GENERAL CLEANING:** Dilute 1 to 4 ounces per gallon of water when a strong protective wax film is not desired.

**HEAVIER CLEANING AND GLOSS:** Dilute 4 to 8 ounces per gallon of water.

Mop onto surface, allow to stand a few minutes, scrub stubborn spots, rinse and allow to dry. Surface may then be buffed if a gloss is desired. Concentrations may be varied to specific needs.

**PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** May cause severe irritation to eyes. Repeated contact may cause redness and dry cracked skin. Avoid contact with eyes. Do not take internally. Wash thoroughly after handling.

**FIRST AID:** In case of contact immediately flush eyes with plenty of water for at least 15 minutes. If irritation persists obtain medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

### FACTS

1. Triple purpose product
2. Protects
3. A versatile cleaner
4. Super-concentrated

### BENEFITS

1. Cleans floors, strips waxes and finishes, and rewaxes in one operation
2. Harmless to floor surface, gentle to the hands
3. Recommended for marble, tile, terrazzo and any resilient or non-resilient floors
4. Economical to use due to the high concentration: No waste of cleaning power, only a small amount required.
