

3116-ES

SHOCK-LESS

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

STOPS ANNOYING **SHOCK** AND STATIC CLING

ELIMINATES **SHOCK** WITH MISTING APPLICATION

SHOCK-LESS neutralizes static electricity in carpets, drapes, linens; effective virtually everywhere static electricity is found. Protects residents and clientele from annoying static shock in lobbies, rooms, hallways and corridors.

SHOCK-LESS eliminates static cling as well as static shock for easier, quicker, more efficient laundry pressing and folding operation.

DURABLE—Restores natural flexibility, lubricity, reduces stiffening, fraying and breaking of fibers. Will not spot, stain, or discolor, cotton, wool, or nylon and other synthetics. AND IT'S EASY TO USE: Simply spray on material or the machinery handling the material to remove static cling and static shock.

Ideal for laundries (both commercial and in-plant operation), textile plants, hospitals, apartments, hotels, restaurants and theatres; wherever static electricity annoys either customer or employees.

TECHNICAL DATA

FOREMOST 3116-ES SHOCK-LESS

Rev. 10-10-17

DESCRIPTION: A ready-to-use liquid formulation designed to eliminate shock and static electricity by chemical action. It is nonflammable and will not discolor wool, nylon or synthetics. Foremost 3116-ES Shock-Less restores natural flexibility, lubricity, reduces stiffening, fraying and breaking of fibres.

APPLICATION: Foremost 3116-ES Shock-Less is ideal wherever static electricity is a problem such as offices, hospitals, schools, theatres, motels, buildings, institutions, retail outlets, restaurants and laundries. It is recommended for automobiles, planes, carpets, upholstery, plastic seat covers, chair mats, plastic partitions, plastic fluorescent fixtures, window blinds, plastic films, print rollers, feed boards and other industrial static hazards.

DIRECTIONS: Spray carpet, rugs and upholstery. Repeat treatment as required. This will vary with climatic conditions.

FOR LAUNDRIES: Add 16 ozs. or 1 pint to the last deep rinse of the wash cycle per each 100 pounds of fabric.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally. May be harmful if swallowed.

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately if irritation persists.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
