

**4025**

## LOTION HAND SOAP

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

GETS HANDS TRULY CLEAN

**PLEASANTLY SCENTED**

**GENTLE AND REFRESHING TO USE**

### ABUNDANT RICH LATHER

Pure soap and surfactants wash away tenacious soils.

### COSMETIC CREAM LOTION

Soothes, refreshes, and protects against chapping.

## CLEANS AND SOOTHES THE SKIN

**PROTECTIVE**—Emollient action minimizes irritation, chapping, drying and cracking of skin.

**SOOTHING**—Cosmetic quality cream lotion counteracts weather and water, refreshes and restores the skin.

**PURE**—Purest soaps produce rich, abundant lather to wash away the most stubborn soils, yet is gentle enough for a baby's bath.

### — NOTE —

Where a positive antiseptic treatment is desired, after washing and rinsing, the hands and forearms may be sanitized without further rinsing in a solution made from one ounce of 4525 Del-Chlor in 12 gallons of water.

### RECOMMENDED FOR —

- Hospitals
- Poultry Plants
- Institutions
- Food Processors
- Cafes
- Meat Packers
- Office Buildings
- Schools
- Industrial Plants

# TECHNICAL DATA

## FOREMOST 4025 LOTION HAND SOAP

Rev. 1-22-19

- DESCRIPTION:** A superior lotion soap mild as a cosmetic cream lotion. Cleans while soothing skin. It produces abundant lather and rinses freely. Completely neutral, it is easy on the most sensitive skin, and is pleasantly scented. Free-flowing qualities are retained down to the last drop.
- APPLICATION:** Recommended for employees daily use in industrial plants, factories, food processing plants, hospitals, office buildings, schools, restaurants, hotels, barber shops, and other establishments. All lavatory dispensers should be equipped with this soap so personnel will use it each time they wash during the working day. Convenience to shower facilities should not be overlooked.
- DIRECTIONS:** As supplied in ready-to-use form, soap dispensers may be filled directly from container without dilution.
1. Dispense some soap into hands.
  2. Mix with water to create a lather.
  3. Clean the nails thoroughly, rubbing the lather well into the base of nails and under the cuticle.
  4. Wash for one and one-half to two minutes.
  5. Rinse.
  6. Dry with clean towel.
- PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** Should not be taken internally. Keep container closed. May cause eye irritation. Avoid contact with eyes. Avoid freezing.
- FIRST AID:** In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists.
- Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

### FACTS

1. Soft and creamy
2. Controlled pH
3. Perfect rinsing
4. Versatile
5. Pleasantly scented
6. Non-combustible

### BENEFITS

1. Provides soothing effect in addition to soil removal and cleansing action.
2. Keeps skin soft.
3. Buffered to prevent harsh acid or alkali effect.
4. Plain water rinse leaves no soap residue.
5. May be used in all food plants, restaurants, mines or manufacturing plants.
6. Stable formula is safe for ammunition factories and mines.
