

FM 4026-ES QUIK SAN

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

PROTECTION AGAINST COMMUNITY ACQUIRED INFECTION

PRE-PACKAGED LITER

INSTANT HAND SANITIZING
USING FM-9516 QUIK SAN DISPENSER

EFFECTIVE AGAINST MRSA

FAST ACTING—Instant sanitizing. 99.99% effective against MRSA, germs and bacteria.

NON-DRYING FORMULA—Non-alcohol formula and built-in conditioners to leave hands feeling soft and smooth. Non-Flammable.

NON-TACKY FORMULA—No gelling agents or polymers to leave a sticky residue on hands. Pleasant Fragrance.

QUICK COVERAGE—Over 3,000 bubbles in each shot to spread rapidly over hands.

REDUCES RISK CONVENIENTLY—No water required. Place in community environments to compliment normal washroom hand washing activity and prevent cross contamination.

ECONOMICAL—Controlled dispensing and "pumped up" foam volume provide hundreds of applications in each liter.

Packed in 24 Liter Cases

TECHNICAL DATA

FOREMOST 4026-ES QUIK-SAN

Rev. 6-12-17

DESCRIPTION: An instant hand sanitizer with foaming pump, FM 4026-ES Quik-San kills 99.99% of most common germs that cause illness in as little as 15 seconds.

APPLICATION: Use for hand washing to decrease bacteria on the skin when water is not available. Readily available product ensures more frequent use.

DIRECTIONS: Press pump twice to deliver two squirts (about a quarter size) of foaming product onto the palm of your hand. Rub hands together until dry. No rinsing required.

PRECAUTIONS: For external use only. When using this product, do not get into eyes. If contact occurs, rinse eyes thoroughly with water. Stop use and ask a doctor if irritation and redness develop. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
