Built-In Emulsifiers To Restore Natural Tone To Dry, Chapped, Work and Weather Abused Hands

FOREMOST 4030—Combines fine cleaning ability with excellent skin protection. Built in emulsification enters pores of the skin to quickly remove grease, grime, oil, and other soils.

MILD-YET THOROUGH—The action of Foremost 4030 Hand Soap is smooth and pleasant — no harsh abrasives to scratch or irritate the skin. Contains built-in emulsifiers to leave skin soft and smooth.

RICH LATHER—Washes away tenacious soils after its detergent ingredients have released the soils from the skin. Restores normal appearance to work and weather abused hands.

CONVENIENT—Dispenses through any standard powdered soap dispenser. Free-flowing, no lumping to clog dispenser. Completely soluble, will not clog drains.

FOREMOST 4030 IS RECOMMENDED FOR—

- Industrial Plants
- Machinery Shops
- Automotive Shops
- Aircraft Shops
- Maintenance Shops
- Also wherever hands are heavily soiled

Authorized by USDA for use in federally inspected meat and poultry plants.

TECHNICAL DATA

FOREMOST 4030 POWDERED HAND SOAP

Rev. 1-22-19

DESCRIPTION: A finely pulverized mixture of natural soaps, borated detergents and other functional substances. It is a well balanced formulation, combining fine cleaning ability with excellent skin protection. It lathers freely and enters the pores quickly to remove grease, grime, carbon, paint and stains. The action of Foremost 4030 Powdered Hand Soap is smooth and pleasant without the usual large grating abrasive which scratches, cuts or irritates the skin.

APPLICATION: Recommended for all industrial plants and shops; wherever hands get working dirty.

DIRECTIONS:

1. May be used from package or through dispenser.
2. First wet hands, then take up some powder or eject some from dispenser.
3. Do not use too much water so that the powder will slowly build up a better cleaning lather.
4. Work well into the hands, between fingers and under finger nails.
5. When lather has become dark and loaded with soil, rinse hands and arms freely with fresh water and dry.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. It's a powdered compound—Offering Maximum economy and utility.
2. Fine Abrasive Cleaner—For maximum grease cutting action without stopping drains.
3. A Balanced Formulation—For protection to sensitive skin—No chapping or drying of the hands.

BENEFITS

1. Blended Compound—Combines mildly alkaline components with pure coconut oil soap for superior hand cleaning.
2. Bland Odor—for real customer acceptance.
3. No Insolubles—All 100% active for maximum economy.
4. Built-in Anti-Caking Agents—To avoid waste.
