TECHNICAL DATA

FM-4035-ES Very Cherry

Rev. 11-12-15

DESCRIPTION: An industrial strength hand cleaner formulated with pumice and designed to remove tough soils without irritation. Quickly and thoroughly penetrates, liquefies and removes most stubborn industrial soils. A mild, low odor solvent formula has a pleasing cherry fragrance that effectively neutralizes residual odors of diesel and other petroleum products from hands. Contains emollients that prevent dryness by replacing skin oils, leaving hands soft and with a mild cherry scent.

APPLICATION: Recommended for daily use in cleaning and moisturizing the skin. Removes grease, tar, carbon, asphalt, inks, resins, paints, adhesives, and many other soils encountered in an industrial environment.

DIRECTIONS: Apply a small amount of FM-4035-ES Very Cherry to dry hands. Work thoroughly into hands, knuckles, and under fingernails. Begin to rinse with a small amount of water while continuing to work hands. Thoroughly rinse with water and dry hands.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
