TECHNICAL DATA

FOREMOST 4532-US APPLE SPICE SMOKE EATER

DESCRIPTION:

A high quality product in ready-to-use liquid designed for effective and total control of obnoxious odors. Special ingredients are blended to neutralize and destroy odors caused by organic decay, residual smoke particles, pet feces, mold, sewage and cooking. It acts instantly at the source and remains effective for long periods.

APPLICATION:

Recommended for controlling odors in apartments, motels and hotels, restaurants, theaters, nursing homes, schools and other institutions, automobile and recreational vehicle dealers, business and office buildings, anywhere malodors exist.

DIRECTIONS:

GENERAL ROOM DEODORIZING: Spray carpets and draperies and other fabric areas primarily, as this is where most odors will linger.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. May cause eye irritation. Avoid contact with eyes. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling, irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **INGESTION:** Get medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
