# TECHNICAL DATA

## FOREMOST 4555 SANI-TROL

Rev. 5-21-18

- DESCRIPTION:** A highly effective liquid designed for successfully combating obnoxious odors produced by chemical toilets. It controls by masking existing odors and eliminating unpleasant odors. Foremost 4555 is supplied in concentrated form which permits easy dilution with water to any desired concentration.
- APPLICATION:** Foremost 4555 may be used manually or through automatic dispensing equipment. In actual practice it has proven very effective for controlling objectionable odors in chemical toilets.
- DIRECTIONS:** Foremost 4555 is generally used for chemical toilets as a solution concentration of ½ to 1 ounce per gallon of water. A ready-to-use solution can be prepared by adding 3 pints of Foremost 4555 to a 55 gallon drum of water. Variations can be used as performance dictates.
- PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** Avoid contamination of food. Do not take internally. Harmful if swallowed. Undiluted concentrate may cause skin irritation or damage to eyes. When handling, avoid contact with skin and eyes. **FIRST AID: SKIN:** In case of contact wash thoroughly with plenty of soap and water. **EYES:** Flush immediately with plenty of water and get medical attention. **INGESTION:** Give large amounts of water or milk. Get medical attention immediately.
- Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

### FACTS

1. Eliminates Unpleasant Odors
2. Safe
3. Highly Effective
4. Economical
5. Versatile
6. Proven

### BENEFITS
