ODOR BANDIT // TECHNICAL DATA

FM 4556-ES **CHERRY** | FM 4557-ES **LEMON** | FM 4558-ES **CINNAMON** | FM 4559-ES **LAVENDER**

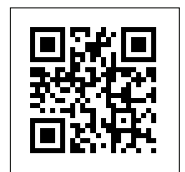

DESCRIPTION: A highly effective deodorizer and light-duty cleaner formulated into one convenient package. Odor Bandit is versatile and has proven to be very effective for controlling the most objectionable odors and safe for light duty cleaning on virtually any surface.

APPLICATION: Recommended for anywhere malodors linger or persist or light-duty cleaning is needed.

DIRECTIONS: Odor Bandit can be mixed over a wide range of dilutions dependent upon application. Mix anywhere from 1 to 6 ounces per gallon of water. For cleaning applications, it is recommended at 1 to 3 ounces per gallon. It can be sprayed or mopped onto surfaces where odors persist or anywhere light duty cleaning is needed. Rinse with water after use. For odor control, dilutions up to 6 ounces per gallon may be used. Thoroughly saturate areas to eliminate the most intense odors.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN:** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists. Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
