

533-ES

CITRI-SOLV

DEGREASER AND COSMOLINE REMOVER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

POWERFUL, VERSATILE NEW CITRUS FORMULA

- FAST-ECONOMICAL
- EASY-TO-USE
- MEETS OSHA & EPA STANDARDS
- REMOVES PROTECTIVE COATING IN MINUTES
- DEGREASES ENGINES, EQUIPMENT, CONCRETE FLOORS

HIGHLY EFFECTIVE—Unique Citri-Solv formulation penetrates, liquefies and removes cosmoline and other protective auto finishes fast and with minimum effort.

Citri-Solv contains natural citrus (orange) oil and selected detergents and surfactants for synergistic activity.

REMOVES GREASES oils, grime and dirt fast. Forms a mixture with soils on engines and chassis that can be readily flushed off with water.

VERSATILE—Also excellent for general cleaning of parts and equipment as well as degreasing concrete floors.

ECONOMICAL—Concentrated CITRI-SOLV is not an expensive ready-to-use cleaner. IT MIXES WITH WATER for effective, fast-acting solutions with money-saving results.

CITRI-SOLV solutions are pleasant to use and ecologically acceptable. Pleasant natural orange fragrance — no caustics, no creosote, non-toxic, non-acid, non-corrosive, non-injurious to metals and sound paint.

RECOMMENDED for all domestic and imported cars. Dilutes with 3 to 4 parts water to remove protective coatings from cars to make them showroom ready.

FOR UNEXCELLED CHEMICAL CLEANING AND DEGREASING OF:

- Automobiles
- Trucks
- Tank Wagons
- Factory Equipment
- Fleet Vehicles

TECHNICAL DATA

FOREMOST 533-ES CITRI-SOLV (Degreaser and Cosmoline Remover)

Rev. 1-29-18

DESCRIPTION: A unique oil and grease solvent cleaner concentrated with emulsifiers and Natural Citrus Oil. Foremost 533-ES Citri-Solv will penetrate and dissolve grease, oil, cosmoline, grime and grease bonded dirt from metal and other surfaces. It forms a mixture with soils that can be readily flushed off with water. Foremost 533-ES Citri-Solv is non-toxic, non-acid, non-caustic and non-corrosive. It is non-injurious to good paint, safe on metals, and has a pleasant citrus odor.

APPLICATION: Foremost 533-ES Citri-Solv is widely used in bakeries, petroleum industries, railroad shops, maintenance shops, paper mills, airports, etc. It is highly recommended for general cleaning and degreasing of automotive engines, chassis, industrial machinery, farm and road equipment and concrete floors. It has proven effective as a dewaxer for removing protective coatings from automobiles.

DIRECTIONS:

For protective coating and wax coating removal from new automobiles and trucks:

1. Dilute 1 part of Foremost 533-ES Citri-Solv concentrate with 1 to 2 parts water.
2. Saturate wash mitt or cheese cloth in solution and go over entire vehicle with cloth or rag.
3. Wipe dry, rinse with water or wash vehicle with Foremost Car Wash.

NOTE: For extremely heavy protective coats, a second application may be required.

For General Cleaning:

1. Dilute 4 ounces of the concentrate to 1 gallon of warm water.
2. Apply generously to greasy equipment, floors or walls with mop, sponge or cloth.
3. Allow to set for approximately 5 minutes.
4. Rinse with clean water.

For Degreasing:

1. Dilute 1 part of Foremost 533-ES Citri-Solv concentrate with 1 to 4 parts water depending on soil.
2. Spray or brush onto surface and let stand 15 minutes.
3. Rinse with water.

For Painted Concrete Surface:

1. Dilute 1 part of Foremost 533-ES Citri-Solv concentrate with 4 parts water.
2. Apply with mop or spray.
3. Allow to stand 10-15 minutes and rinse with water.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains Natural Citrus Oils, Ethylene Glycol Monobutyl Ether and Aromatic Petroleum Distillates. Do not take internally. **May be harmful or fatal if swallowed.** Combustible mixture. Keep away from heat and open flame.

Avoid contact with skin and eyes. If ingested, get immediate medical attention. Keep container closed when not in use. Contact with skin can cause moderate irritation, defatting, dermatitis.

FIRST AID: EYES: Flush with large amounts of water, lifting upper and lower lids occasionally. Get medical attention. **SKIN:** Wash thoroughly with soap or mild detergent and water. **INGESTION:** Do not induce vomiting. Get immediate medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
