TECHNICAL DATA

SHINOLA – CHERRY FM 538-ES – WATERMELON FM 540-ES

4/3/2024

- DESCRIPTION:** Delta Foremost Shinola – Cherry FM 538-ES and Watermelon FM 540-ES is a concentrated blend of poly and silicone ingredients that provides a tough, protective film and protects various surfaces. The product is simple to use. Spray on and buff or let dry to a like-new shine. It leaves a waterproof coating after one application and contains special additives to inhibit cracking, fading and hardening. It protects surfaces from the harmful rays of the sun by keeping surfaces moisturized.
- APPLICATION:** For use on A/C Ducts, Boats, Tires, Door Jams, Bumpers, Bumper Guards, Body Moldings, Engine Compartments and Vinyl Interior & Tops.
- DIRECTIONS:** Spray product onto surface and buff or let dry to a “like new” shine. Avoid over-spraying on flooring as surfaces may become slippery. Thoroughly ventilate the car interior before driving.
- PRECAUTIONS:** **KEEP OUT OF REACH OF CHILDREN.** Avoid breathing dust/fumes/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Wash hands thoroughly after handling. Pressurized container – Do not pierce or burn, even after use. Do not expose to temperatures exceeding 50°C/122°F.

FIRST AID: IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a Poison Center, doctor or get medical advice/attention if you feel unwell. **IF SWALLOWED:** Immediately call a poison center or doctor. Do NOT induce vomiting. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. Get medical advice/attention.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
