MICRO SCRUBBERS — Removes difficult soil, soap scum, and mineral film.

NATURAL TERPENES — Natural Ingredients clean and deodorize, leaving a light, residual pine fragrance

ESSENTIAL — A must for Environmental Services, Mass Transit, Hospitality Industry, Hospitals, Assisted Living, Healthcare Facilities, Country Clubs, Colleges & Athletic Departments

VERSATILE APPLICATION — Bathtubs, Wash basins, Pots and pans, Painted woodwork, Scuffed floors and walls, Outdoor furniture, Shower walls, Glass shower doors and most hard surfaces.

Although **FM 5711-ES EZY CLEANER** contains the least abrasive micro scrubber available, always test questionable surfaces first to determine if they are subject to scratching.

TECHNICAL DATA

FOREMOST 5711-ES EZY CLEANER

Rev. 1-20-17

DESCRIPTION: A thick, liquid scouring detergent which cleans and polishes. It contains no coarse particles to scratch surfaces. Due to its free rinsability, it leaves no gritty or powdery film. Contains no harsh acids or surface-dulling bleaches and does not clog drains pipes as ordinary powder and paste cleaners do.

APPLICATION: Recommended for faster, better cleaning than old-fashioned powders, pastes, or liquids. The following places of use all find Foremost 5711-ES Ezy Cleaner to be the superior cleaner for manual cleaning: hospitals, motels, hotels, institutions, cafeterias, poultry packers, food processing plants, industrial plants, office buildings, bottlers and meat packers.

Foremost 5711-ES Ezy Cleaner removes soils, scum and stains from porcelain, enamel, stainless steel, metal, tile and many other surfaces. Makes bathrooms look like new. Restores gloss to stainless steel, chrome surgical and food dispensing equipment. Multiple applications include cleaning bathtubs and sinks, cleaning woodwork, removing black rubber heel marks off floors, cleaning shower and wash stalls, cleaning swimming pools, polishing ornamental iron, cleaning white sidewall tires and pots and pans.

DIRECTIONS: Shake well before using. Squeeze onto a damp sponge, brush or cloth and apply to the soiled surface (or squeeze directly onto surface to be cleaned). Remove loosened soil with damp sponge or cloth. Rinse with water.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water. Get medical attention if irritation persists.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
