Foremost 578-ES Deo-Mist Odor Killer

Citrus Creme

9576
Measur-Mist Dispenser

Goodbye Odors ...

Deo-Mist Chemically Neutralizes And Destroys Offensive Malodors By Absorption And Chemical Reactivity

KILLS ODORS

- AUTOMATICALLY
- EFFECTIVELY
- PLEASANTLY
- ECONOMICALLY
- PRECISELY
- QUIETLY

**Contains no CFC's
or other ozone
depleting substances.**

Solid state circuitry insures longer battery life and consistent operation. Lockable, hinged cover easily opens for servicing.

- **Foremost Deo-Mist** has a pleasant fragrance but is not a perfume "cover-up". The pleasing aroma is digested by the Deo-Mist within minutes along with any other odor.
- Each premeasured shot contains superlative organic odor neutralizers.
- **Economical** — Programmable for 7.5, 15 and 30 minute dispensing. At the 15 minute setting, one aerosol will last approximately one month.
- **MEASUR-MIST** is the best engineered metering device available today. Positive nozzle alignment guarantees safe and effective dispersion of spray.
- Operates 24 hours a day, approximately 1-2 years before replacement batteries (D) are needed. L.E.D. yellow "CAN EMPTY" warning light; L.E.D. "BATTERY LOW" warning light.

TECHNICAL DATA

FOREMOST 578-ES DEO-MIST CITRUS CREME

Rev. 5-13-16

DESCRIPTION: An aerosol that chemically neutralizes odors developed especially for metered dispensing units that operate on a 15 minute cycle. Unpleasant odors such as stale smoke, decay, toilet putrescence, cooking and many others associated with humans or animals are hunted down and chemically destroyed by this Citrus Creme scent. One unit is recommended per 4000 cubic feet of space. Air movement and ventilation rate may vary this somewhat. Foremost 578-ES Deo-Mist Citrus Creme does not contain ozone depleting chemicals.

APPLICATION: Millions of very tiny aerosol particles are suspended with each metered spray in rest rooms, dining rooms, serving areas, halls, lounges, offices, schools, locker rooms, etc. Foremost 578-ES Deo-Mist is recommended for restaurants, bars, industrial plants, homes, service stations, kennels, offices, washrooms, locker rooms, hospitals, stables, kitchens, hotels, etc.

DIRECTIONS: **STANDARD USAGE:** Place aerosol dispenser refill in metered dispenser. Controls odors for up to 4,000 cubic feet. Emits pre-measured dosage every 15 minutes for up to 40 days. Each can contains 3,800 metered releases.

MANUAL USAGE: Press once to release. Appropriate dosage is instantly dispersed. Repeat if necessary.

PRECAUTIONS: **CAUTION:** Avoid eye contact. If in eyes, flush immediately with water for 15 minutes. Remove any contact lenses, then continue flushing thoroughly with water. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal. Do not transport, use, store, or dispose of near flames, sparks, or other sources of heat or ignition. Containers exposed to direct sunlight or otherwise heated above 120°F (49°C) may burst. Store in a cool, dry area inaccessible to children. Do not puncture or incinerate container. Empty container should be disposed of in trash, or offered for recycling if allowed by federal, state, and local requirements.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
