

5810A
LIQUID HAND
DISHWASHING DETERGENT

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

CUTS DISHWASHING COSTS...

MAKES DISHES AND GLASSWARE SPARKLE —

The hardest tests for a detergent are dried egg yolk, lipstick and grease. Whatever the soil is, Foremost 5810A Liquid Hand Washing Detergent will remove it, leaving dishes sparkling. Its free rinsing formula leaves dishes, glasses, and flatware spot free and sparkling clean.

EASY ON THE HANDS — Foremost 5810A Liquid Hand Washing Detergent is non-irritating to the hands, is absolutely free of harsh alkalies and allergy-causing fatty-acids.

Authorized by USDA for use in federally inspected meat and poultry plants.

ECONOMICAL TO USE — Foremost 5810A Liquid Hand Washing Detergent is a concentrate, meaning a little goes a long way. One ounce makes a sink full of highly effective wash solution. For that reason it is recommended by restaurant and bar owners. Use Foremost 5810A Liquid Hand Dishwashing Detergent for sparkling dishes, low bacteria counts and satisfied customers.

MANY USES — Foremost 5810A Liquid Hand Washing Detergent is versatile and can be used for all manual cleaning of restaurant or bar service.

TECHNICAL DATA

FOREMOST 5810A LIQUID HAND DISHWASHING DETERGENT

Rev. 1-18-19

DESCRIPTION: Foremost 5810A Liquid Hand Dishwashing Detergent is a mild detergent. It is an extra concentrated synthetic containing no soaps or harsh compounds. Performance is outstanding in hard or soft water and the solution is safe on hands, clothes, glassware, flatware, china and ceramics. Cuts grease economically and instantly. This formula combines optimum performance with complete rinsing to yield outstanding results.

PHYSICAL PROPERTIES:

1. No Harsh Alkalies
2. Mild odor, no added fragrances
3. High Sudsing
4. Neutral pH
5. Nontoxic
6. Complete rinsing

APPLICATION: Foremost 5810A is primarily recommended for hand dishwashing application, however, it can be used for mild to medium duty cleaning of fine clothing, such as nylons, woolens, and lingerie.

DIRECTIONS: **HAND DISHWASHING:** Use 1 teaspoon to ½ cupful depending on size of sink. Pour into the sink or basin and turn on warm water to create instant suds. Cuts grease immediately and makes dishes sparkle. Always rinse thoroughly after cleaning.
CLOTHES: For nylons, lingerie, woolens, use 2 teaspoons full of concentrate with lukewarm water. Do not rub garment—sponge suds through and rinse in cool water.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately if irritation persists.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. Excellent emulsification
2. Improved rinsability
3. Superior sequestration
4. Highly concentrated
5. Completely neutral
6. No harsh chemicals
7. Liquid Formula
8. Good soil suspension
9. Excellent foam qualities
10. Mild odor

BENEFITS

1. Will remove stubborn food deposits
2. No residual foam after rinsing
3. Will work in both hard and soft water
4. High concentration makes it very economical to use
5. Will not irritate the skin of the user
6. Soluble in water, no dissolving problem as with powders
7. Loosened soils are held in suspension until rinsed away
8. Foams profusely even under severe conditions such as fish oils
9. Mild, non transferring odor
