

600 RUG & UPHOLSTERY SHAMPOO

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

- ❖ **FAST ACTING**
- ❖ **NON-TOXIC**
- ❖ **WON'T STAIN**
- ❖ **DEODORIZES**
- ❖ **HIGHLY CONCENTRATED**

Removes stubborn stains made by coffee, sugar, soft drinks, chocolate, blood, dirt, etc.

Here's Why You Should Use Foremost 600 Rug & Upholstery Shampoo

1. Manufactured from 100% high performance detergents, you are assured of the best and safest cleaner for modern day fabrics.
2. Foremost 600 is economical to use. Can be diluted with 6 to 10 volumes water to provide an effective and penetrating cleaning action.
3. No stains or discoloration are possible, due to the mild detergent action of the ingredients of Foremost 600.
4. Its unique chemical formulation makes Foremost 600 highly adaptable for use in cleaning seats of aircraft, automobiles, buses, theatres, schools, as well as carpets, rugs and upholstered furniture.
5. After cleaning action is completed, Foremost 600 evaporates completely leaving no residue to harm the fibers of the fabric.
6. Foremost 600 not only cleans and protects, but has a "Built-in" deodorizing agent. Leaves upholstery and rugs clean, fresh and pleasant smelling!
7. No easier product to use: simply agitate the surface to be cleaned with Foremost solution—wipe with clean damp cloth—air-dries quickly, leaving a like-new appearance to the fabric.

TECHNICAL DATA

FOREMOST 600 RUG & UPHOLSTERY SHAMPOO

Rev. 1-11-19

DESCRIPTION: Foremost 600 Rug & Upholstery Shampoo is a highly concentrated product that forms an abundance of suds which penetrate, emulsify and suspend deeply embedded soils for fast and efficient cleaning action. It is nonflammable, economical to use, and will not stain or leave greasy deposits when used as directed.

APPLICATION: Foremost 600 Rug & Upholstery Shampoo is an excellent cleaner for use in removing many types of stains, such as sugar, coffee, soft drinks, chocolate, syrup, blood, dirt, polish, etc.
It has found wide acceptance in used car clean-up, private flying services, commercial airlines for complete interior cabin cleaning as well as rugs and upholstery, railroad and bus maintenance.

DIRECTIONS:

UPHOLSTERY CLEANING:

1. Mix 1 part Foremost 600 Rug and Upholstery Shampoo with 4 to 10 parts water.
2. Agitate to foam.
3. Apply the foam with a stiff brush, cloth or sponge.
4. Wipe off excess foam with damp cloth after cleaning.
5. Use this upholstery cleaner on colorfast fabrics only.

CARPET SHAMPOOING: Rotary Brush Machine

1. Vacuum carpet completely.
2. Add lukewarm water (140°F-150°F), then Foremost 600 to the solution tank. Follow directions on the machine, normally 10 parts water to 1 part cleaner.
3. Start the machine and release a small amount of solution until a white suds is generated under the rotating brushes. Repeat release of the solution, as necessary, to allow continuous sudsing as the brushes move across the carpet.
4. Maneuver the machine in forward-backward or side-to-side motions, allowing a slight overlap on the return trips.
5. After shampooing with Foremost 600, the carpet may be walked on immediately.

NOTE: Should odor exist in carpeting before shampooing, deodorizing may be accomplished by adding ½ to 1 cup Foremost Smoke Eater to the solution tank.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains Ethylene Glycol Monobutyl Ether. May cause eye and skin irritation. Avoid contact with eyes and skin. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling, and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **INGESTION:** Get medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. It's a liquid
2. It's a neutral detergent
3. Water soluble
4. Concentrated
5. Colorless
6. Non-toxic
7. Non-corrosive
8. Bland perfume
9. High foaming

BENEFITS

1. Easy to prepare/use solution
2. Will not react with any colorfast fabrics
3. Safe on all synthetic fabrics
4. A little goes a long way
5. Will not stain fabrics
6. Safe around metallic surfaces
7. Imparts nice and clean odors
8. Floats embedded soils from the fabrics
