SUBTLE SCENT

A pleasant fragrance that doesn't overpower even on initial placement. Odor Baggers are specifically designed to please those who dislike strong perfumes and odor masks.

FRAGRANCE

Increases with airflow, making them perfect for air ducts, vacuum cleaner bags, air vents on mass transit, campers, or any other type of airflow vent. Odor Baggers are also great for cabs of rental and heavy equipment where stale odors persist.

DISCREET APPEARANCE

Odor Baggers can be placed out of sight. Place under the seat of musty smelling automobiles, in trunks, drawers, closets, hampers, or anywhere there are offensive stale odors.

CONTROLLABLE

Subtle enough to be placed in multiple locations in the same area. Freshens the air and does not offend those sensitive to strong perfumes from aerosols, deodorizing liquids, gels, and other solid media.

ECO-FRIENDLY

Odor Baggers are recyclable when put in with plastic recyclables.

RECYCLE WITH PLASTIC ONLY.

EASY TO USE

Have a stale, musty area? Toss one or multiple bags into discreet areas for a fresh area without an overpowering perfume. Higher airflow increases fragrance while lower airflow increases the life of the Odor Bagger.

AIRFLOW

Dispenser may be placed discreetly anywhere there is adequate airflow to activate subtle fragrance.

ESPECIALLY USEFUL FOR

Auto rental agencies, equipment rental companies, schools, assisted living facilities, camper rental and sales, office areas, break rooms, trash receptacles, vacuum cleaner bags, anywhere stale, musty odors persist.

EASY TO INSTALL DISPENSER

Ideal for placing on air vents, doors, hamper lids, or anywhere an Odor Bagger is needed to freshen the air. Each dispenser comes with double-sided tape on back for easy installation. (5″x 2″)

DESCRIPTION: A solid deodorant combining ease of use with long lasting effectiveness. Sold in the Flow-Fresh perforated bag that allows constant airflow around the beads. The beads slowly release their scent over time making them a cost effective solution to your odor control needs.

APPLICATION: Ideal for institutional use where fragrance beads are used for multiple applications. Odor Bagger beads are the perfect choice for freshening up hotels, automobiles, health care facilities, sick rooms, campers, RVs or anywhere a fresh inviting scent is needed.

DIRECTIONS: Place bags in A/C units, air-vents, automobiles, trucks, campers, vacuum cleaner bags, sick rooms, drawers and hampers, garbage cans or pet areas as needed.

PRECAUTIONS: **WARNING:** May cause allergic skin reaction.

FIRST AID: In case of contact, wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
