

608-ES
DEL-GUARD
Fabric and Carpet Shield

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

❖ **REPELS—SPOTS,
STAINS, AND SOILS**

❖ **POSITIVE PROTECTION**

❖ **INVISIBLE SHIELD**

Rich, luxurious glow of newly cleaned fabrics is maintained longer through use of Foremost Del-Guard Fabric and Carpet Shield.

CARPETS, FABRICS STAY CLEANER LONGER

DEL-GUARD is a unique, versatile fabric protector that shields against spots, spills, soil and most stains. Its chemical shield, properly applied, surrounds every fiber for positive and uniform protection of fabrics.

DEL-GUARD forms an invisible, protective finish for carpets and rugs, draperies, upholsteries, and cloth wall coverings. Normal and unwanted soils are more easily vacuumed, shampooed or extractor removed.

INVISIBLE—DEL-GUARD is a liquid that performs its important function without changing the color, feel or appearance of the fabrics.

***Test in a hidden area for colorfastness. Will not protect completely against stains caused by acids, dyes, bleaches or other corrosives.**

— NOTE —

Carpets, rugs, and beautiful upholstery lend dignity to any building. They can retain their handsome appearance for many years if simple care is taken. Del-Guard can play an important part in maintaining fabric beauty by increasing soil resistance and enhancing clean-ability.

ENTHUSIASTICALLY RECOMMENDED FOR:

- Offices
- Apartments
- Department Stores
- Motels
- Hospitals
- Contract Cleaners
- Carpet/Rug Dealers
- Restaurants
- Nursing Homes
- Theatres
- Automobile Dealers

TECHNICAL DATA

FOREMOST 608-ES DEL-GUARD FABRIC AND CARPET SHIELD

Rev. 5-25-17

DESCRIPTION: A unique blend of materials that, once properly applied, forms a chemical shield that surrounds each and every fiber, repelling stains caused by spills. It is effective on all materials, natural or synthetic, and will not change the color or feel of the fabrics and will not harm wood, marble, rubber or tile, however, any excess should be wiped with a cloth. Foremost 608-ES Del-Guard will not protect completely against stains caused by acids, dye, bleach or other corrosives.

APPLICATION: Recommended for use against common spills that can penetrate carpet or fabric and leave impossible stains.

DIRECTIONS:

1. Ready to use. Do not mix with water. Do not saturate.
2. For small areas, apply with trigger sprayer to new or just cleaned, damp or dry fibers. FM 666-ES is excellent for removing stains.
3. Spray evenly, just enough to dampen surface.
4. For larger areas, apply with compressed air utility sprayer (pump up type). Follow small area directions.
5. Allow carpet or fabric to dry four hours or overnight for protection to develop.

Coverage Per Gallon: 800 sq. ft.—cut pile or plush
1,000 sq. ft.—commercial

NOTE: Test on inconspicuous area for colorfastness. In hidden area spray 608-ES until wet and wipe with a white absorbent cloth. If any color rubs off, do not use. Do not use on leather, vinyl, clear plastic, fiberglass or imitation suede.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye and skin irritation. Avoid contact with eyes and prolonged contact with skin. Wash thoroughly after handling. Do not take internally.

FIRST AID: EYES: In case of contact with eyes, flush immediately with plenty of water for at least 15 minutes. **SKIN:** Flush with plenty of water. Get medical attention if irritation persists. Wash contaminated clothing before reuse. **INGESTION:** Call physician immediately. Do not induce vomiting.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
