

650B SMOKEHOUSE CLEANER

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

Customized for smokehouse and other heavy-duty food plant cleaning.

A NEW CONCEPT IN *"ENERGIZED"* HEAVY DUTY ALKALINE DETERGENCY

REMOVES CARBONIZED BUILD-UP FASTER AND AT A LOWER COST

SUPERIOR, FASTER CLEANING—Scientific combination of wetting, sequestering and emulsifying properties, combined with powerful alkaline detergents and saponifiers; cleans where other products fail, and cleans fast.

VERSATILE—Use with steam, by brushing down, by simple spray or most effectively in combination with Foremost 1551 Jet Foam Additive.

DEGREASES AND DECARBONIZES—Recommended for smokehouse walls, coils, drip pans, conveyors, trolleys, ducts, etc.

LIQUID CONCENTRATE—Easy solution preparation—mixes instantly—may be injected or siphoned into application devices.

SMOKEHOUSE CLEANING—Apply with steam, foam, flow-on, swab or use in circulating system. Unique synergistic action attacks carbonaceous grime. Foremost 650B quickly dissolves hard-to-remove combination of burned-on grease and combustible residues. Simple water rinse leaves steel and masonry smokehouses sparkling clean.

ECONOMICAL—Fast, high impact cleaning at low solution levels saves on labor, time and material cost.

Authorized by USDA for use in
federally inspected meat and poultry plants.

TECHNICAL DATA

FOREMOST 650B SMOKEHOUSE CLEANER

Rev. 1-18-19

DESCRIPTION: An extremely alkaline liquid concentrate, with heavy-duty blend of alkaline detergents, surfactant, and water conditioning agents designed to generate powerful action for unsurpassed, balanced cleaning. Rinsability is easy and leaves surfaces completely free from contamination.

APPLICATION: Recommended for smokehouse walls, coils, drip pans, conveyors, trolleys, ducts, etc. It can be used with steam, by brushing down, by simple spray or most efficiently in combination with Foremost 1551 Jet Foam additive.

DIRECTIONS:

1. Use one pint to one quart per 4 to 5 gallons of warm water depending on frequency of cleaning, amount and type of soil to be removed, and method of use.
2. If soil is heavy, a second application assures complete cleaning.
3. Always rinse thoroughly with live steam or pressure hose.

NOTE: Keep moisture out of drum and lid tightly closed. Do not use on wood, soft metals (such as aluminum), painted surfaces, (when protection is desired).

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN. CONTAINS POTASSIUM HYDROXIDE AND SODIUM SILICATE.** Causes severe burns to eyes and skin. Do not get in eyes, on skin or clothing. Do not take internally. Wash thoroughly after handling. When handling, always wear chemical splash goggles or face shield, rubber gloves and protective clothing.

FIRST AID: EYES AND SKIN: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Wash clothing before reuse. Destroy contaminated shoes. **INGESTION:** If swallowed, do not induce vomiting. If person is conscious, give large quantities of water or milk, if available. Get medical attention immediately.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
