659-ES

NON-HAZARDOUS – Dynamic performance formula makes an effective glass cleaner but remains safe.

FRAGRANCE – Pleasing fresh scent with no harsh fumes.

THIXOTROPIC – Unique chemical property allows mist to return to a gel on contact, preventing waste or messy run off.

CLEANER, LONGER – Formula prevents fingerprints, smudges, and dirt from quickly recurring.

READY TO USE – Product is ready for application. No rinse formula cleans glass quickly and easily; just spray and wipe.

NOTE: Not recommended for LCD screens.

CONVENIENTLY PACKED
48 QUARTS PER CASE

TECHNICAL DATA

FOREMOST 659-ES GLEAM GLASS CLEANER

Rev. 6-8-2020

DESCRIPTION: Gleam is a non-ammoniated, thick, ready-to-use cleaner formulated with revolutionary detergent system LS2. Cleans, restores, shines. Lifts away tough soils on all glass surfaces. Wipes off quickly, without streaks or rainbows. Designed to quickly and effectively remove dirt, grease, grime and other contaminants from a variety of hard surfaces without the possibility of streaking or leaving behind an unsightly film. Will not cause build-up on surfaces. Pleasant sassafras fragrance helps deodorize while it cleans.

APPLICATION: A streak-free, ready-to-use formula designed to dissolve films, soils, fingerprints, lipstick, bugs and much more. Ideal for mirrors, glass, windshields and vertical surfaces.

DIRECTIONS: Simply spray on and wipe clean. It will not smear or streak and absolutely no rinsing is required. Helps prevent smears, smudges and fingerprints from reoccurring on the surface.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** May cause eye irritation. Avoid contact with eyes. Do not take internally.

FIRST AID: In case of contact, immediately flush eyes with large amounts of water until burning ceases. Get medical attention immediately if irritation persists.

Before using this product read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
