TECHNICAL DATA

FOREMOST 660-ES GLASS KLEEN RTU

Rev. 5-26-17

DESCRIPTION: A liquid synthetic detergent for safe and efficient removal of oil, grease, and accumulated dirt from windows, windshields, mirrors, tile, porcelain and chromium. It contains high wetting and solvent properties which will loosen, clean and prevent redeposition of soils during the cleaning process. It wipes off easily or rinses freely; leaves no haze or film.

APPLICATION: A natural composition with highly effective cleaning ability suitable for a variety of uses. Foremost 660-ES Glass Kleen RTU is recommended for cleaning windshields, mirrors, windows, tile, porcelain and chromium. It can be used on fixtures, plastic, venetian blinds, metal surfaces and automobile interiors. Do not use on wood surfaces.

DIRECTIONS: Use as is without dilution. Spray on a fine mist or apply with a soft cloth. Squeegee or shine with a clean cloth or paper towel before solution dries.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains ethylene glycol monobutyl ether and isopropyl alcohol. May cause eye irritation. Avoid contact with eyes. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling, and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **INGESTION:** Get medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.

FACTS

1. Easy-to-use
2. Combination of powerful detergents and solvents
3. Non-flammable
4. Harmless
5. No haze or film on windshields or windows

BENEFITS

1. No mixing—it's ready-to-use
2. Effective results
3. Complete safety in washer reservoirs
4. No hazard when dispensing at pumpside in gas station
5. Crystal-clear, sparkling glass
