TECHNICAL DATA

FOREMOST 704-ES TIGER DEGREASER DETERGENT

Rev. 5-19-17

DESCRIPTION: A ready-to-use, non-caustic, water soluble, liquid cleaner formulated for fast and efficient removal of oil, grease, dirt deposits, grime, cutting oils and other contamination. It is harmless to sound paints and safe on all metals including aluminum. Effective results produced through a combination of chemical and physical actions by penetrating, emulsifying, wetting and water softening.

APPLICATION: Recommended for industry, food processors, institutions, automotive, building maintenance, restaurants and all washable surfaces such as walls, appliances, porcelain, automobiles, stainless steel, plastics and vinyl, exhaust fans, all kitchen surfaces and lockers.

DIRECTIONS:

1. Apply cleaning compounds to surface by spray; trigger foamer, brush or mop.
2. Agitate if needed, or simply:
3. Rinse or wipe off.

NOTE: Rinse all food contact surfaces with clean water before reuse.

PRECAUTIONS: **KEEP OUT OF REACH OF CHILDREN.** Contains ethylene glycol monobutyl ether. May cause eye and skin irritation. Avoid contact with eyes and skin. No irritation is likely following short contact periods with human skin. Prolonged and/or repeated exposure may lead to redness, swelling and irritation. Do not take internally.

FIRST AID: EYES: In case of contact, immediately flush with plenty of water for at least 15 minutes. Get medical attention if burning persists. **SKIN:** In case of contact, flush with plenty of water. **INGESTION:** Get medical attention.

Before using this product, read the Safety Data Sheet (SDS) for more detailed information regarding safe handling.
