EQUIPMENT FOR FOREMOST 1010-ES

8359 Heavy Duty Sprayer
(Not for Solvents)

The low cost, dependable sprayer with a two-gallon white translucent tank. Chemical resistant hose, plastic curved wand. Pick-A-Pattern nozzle and with special seals and gaskets. The **new recommended** sprayer to be used with **Foremost 1010-ES Safety Strip and Foremost 1010-ES Overspray Away** is the Foremost 8359 Heavy Duty Sprayer.

Foremost 8395
Plastic Drum Pump
Adjustable Stroke
(Not for Solvents)

A lightweight, economical drum pump for use with **FM 1010-ES Safety Strip and Foremost 1010-ES Overspray Away**. Durable and rust free. Adjusts to deliver 2, 4, 6 or 8 ounces per stroke. Spigot is adaptable to filling containers either on top of the drum or containers on the floor beside the drum. Eliminates costly drum racks, saves floor space, and gives long service. Adapts to 55, 35 and 20 gallon drums with $\frac{3}{4}$ " to 2" openings.
