ALL PURPOSE SPRAYER

FM 8360

VERSATILE – The FM 8360 All Purpose Sprayer includes both a 12" brass wand and a wand assembly with three tip choices for varying spray patterns. The poly spray wand also serves as a spare in the event the brass wand is damaged or becomes inoperable. The brass wand assembly can be adjusted to a mist for application of all dust commands or adjusted to coarse spray for weed killers and degreasers.

ECONOMICAL – The low cost, dependable sprayer is designed to spray fast and efficiently. The durable, polypropylene funnel-top tank with a positive safety closure holds 2.25 gallons of liquid material. Pressure is created by a 9" self-contained hand pump.

CONVENIENT – The FM 8360 All Purpose Sprayer is complete with flow control & a 42" rubber hose. Equipped with Viton® seals & gaskets for exceptional chemical resistance. Always read and follow instructions for operation, cleaning & storage.

FM 8360
