8394
PVC SPECIALTY
DRUM PUMP
(Ideal for FM 651-ES
Grill Brite)**

A lightweight, economical, PVC Drum Pump for transferring alkalis, detergents, and other non-solvent liquids. Durable and rust-free, gives long service. Hypalon® seals assure long life and smooth stroke in both push or pull directions. Delivers 11oz. per stroke. Pump is 1¼" Dia. x 36" Long; fits standard 2" fine-threaded drum opening - threaded adaptor accommodates 20, 35, and 55 gallon drums.

Eliminates costly drum racks, saves floor space.

8397
PLASTIC PUMP
1 oz. Stroke
(Not For Solvents)**

Like the 8394 Plastic Drum Pump, it is not to be used with solvent based products but is recommended for acids or any other materials. It accurately dispenses 1 oz. of liquid per stroke. It is extremely light weight and is rust free.

Recommended for use with all liquid products packaged in 1 gallon jugs, except solvent-based products.
