DISPENS-O-MATIC

SPECIALTIES FOR MAINTENANCE AND SANITATION SINCE 1947

- **CLEAN**
- **RINSE**
- **SANITIZE**

With one easy-to-use piece of equipment!

SIMPLE push & twist button valves allow easy selection of chemical and rinse application. Buttons are labeled and color-coded for visual indication of chemicals/rinse.

DURABLE STAINLESS STEEL cabinet stands up to abuse and chemicals!

COLOR CODED METERING TIPS control dilutions to ensure proper concentration for the job while preventing waste.

50 FOOT DISCHARGE HOSE allows coverage of wide radius from one central location.

INSULATED SPRAY NOZZLE stands up to hot water for utmost cleaning effectiveness.

NO ELECTRICITY is needed for the Dispens-O-Matic. Operates from standard city water pressure (up to 85 PSI) to siphon chemical concentrates into the water stream.

BACKFLOW PREVENTER is included to insure compliance with most local regulations.

BAKERIES, FOOD PROCESSORS, MEAT MARKETS AND RESTAURANTS can be assured of easy cleaning and sanitizing when using the Dispens-O-Matic with Delta Foremost's excellent detergents and no-rinse sanitizers. Simply spray the equipment with the detergent/cleaner, select the rinse button to blast away the dirt and grime with fresh water, then switch to the sanitizer button for a final sanitizing rinse.

HARDWARE INCLUDED to mount the Dispens-O-Matic on virtually any wall. All suction tubing and spare metering tips are also included so installation is a snap! Water inlet is easily changed to allow water supply to be connected to either side of the unit.

ALSO USEFUL FOR applying car wash detergents and rinse aids such as FM 623 Rinse-Wax Concentrate.
